Headline:
Cloudy with occasional rain today.

Today:
A cloudy day with occasional rain spreading from the west through the morning, and continuing for the afternoon, with outbreaks turning heavier at times. Best chance of limited brightness towards the east coast early to mid-morning. Southwest winds. Maximum temperature 17 deg C (63 deg F).

Tonight:
Cloud and patchy rain at first clearing into the North Sea by midnight. Then mainly dry with broken cloud and light westerly breezes. Minimum temperature 6 deg C (43 deg F).

Sunday:
Settled with bright and sunny spells with most avoiding the few isolated showers. However feeling for autumnal in freshening west to southwest winds and lowering temperatures. Maximum temperature 15 deg C (59 deg F).

Outlook for Monday to Wednesday:
Monday and Tuesday cloudy with some generally patchy rain. Wednesday mainly dry and occasionally bright.
